Morning assembly is engaging as students participate in their weekly drill or aerobics. There is a brief meditation break as well before proceeding to their respective classes.

Students were engaged in their tabletop academics, along with pre-writing activities of writing patterns on the board.

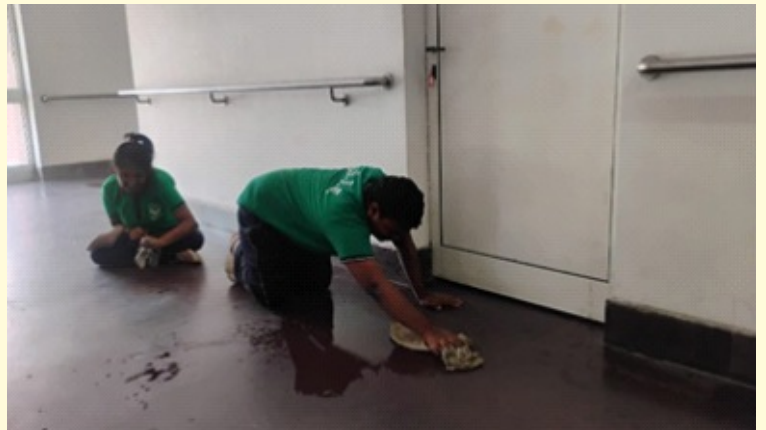

Junior units have an activity grooming class in progress.

Senior students were engaged in their functional academics in the classroom.

Students were engaged in their usual ADLs work, i.e. cleaning, mopping, & kitchen work.

Primary unit have their group art class with poster making, senior students with art aptitude get additional support in our Art & Craft unit to improve their artwork.

Music & movement class at the Play Zone was refreshing for students. Wednesday Dance class at the auditorium is fun for students.

Students were engaged in variety of sporting activities at indoor & outdoor.

Physiotherapy of selected students & occupational therapy in general for all our students are in progress.

Students enjoyed bubble tubes for visual stimuli. Smell is an important sensory stimulus for many of our students.

New students choose their work station in school before being grounded into classroom. So, the activity tools get shifted to that zone!

New parents get a preview of the class activities of their wards before getting involved in the class programme. We have arranged a corner with a screen in the computer unit for this purpose.

Students collected summer fruits & vegetables from the garden before summer break.
