E-News Letter

October, 2025

Pre-Diwali celebration was on 17th October at the school auditorium.
It was a very ceremonial event, with lights glittering.

Students' activity-based class of turn-taking & sequence play were highlighted in the junior section along with their tabletop activities.

Students have a grooming class, 'haircutting in the salon,' which is also part of their IEP in self-care skills. Some students experience sensory issues with haircuts, so that aspect is also addressed in class.

Students' occupational therapy of gait training, steps training, balancing on sensory swings, weight shifting, and fixing were highlighted, along with individualised physiotherapy.

Structured play indoor & outdoor, was highlighted with senior students. Our young ones also enjoy their field games of slides & hanging bars, etc.

Senior students were engaged in their routine ADL work of changing towels to mopping & folding cloth. Vocational unit students did their routine tea packaging work
